

## How to access the Weekly Mentoring call via the internet for FREE:

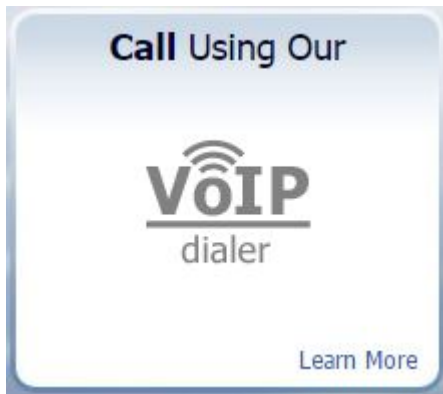

1. Be sure you are using Google Chrome as your internet browser

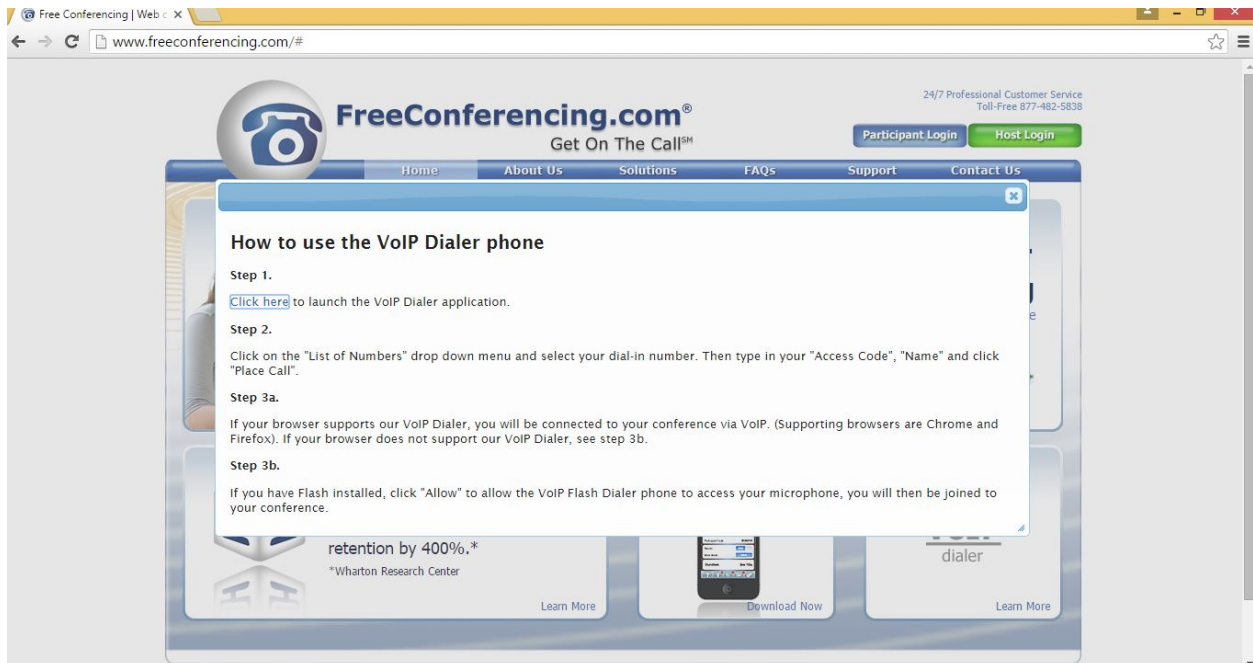

2. In your google chrome internet browser type in [www.freeconferencing.com](http://www.freeconferencing.com) and hit enter to view this screen:

A screenshot of the Free Conferencing website homepage. The browser address bar shows "www.freeconferencing.com/#". The website header includes the logo, "Free Conferencing.com", "Get On The Call", and navigation links: Home, About Us, Solutions, FAQs, Support, Contact Us. There are also "Participant Login" and "Host Login" buttons. The main content area features a large banner with the text "FREE, Full-Featured Conferencing... Now with Screen Sharing" and a list of features: Web-Based Controls, Q &amp; A Sessions, and Audio Broadcasting. Below the banner are three promotional boxes: "Free Screen Sharing" (Add visuals to your conference calls and increase message retention by 400%\*), "iPhone Application" (Download Now), and "Call Using Our VOIP dialer".

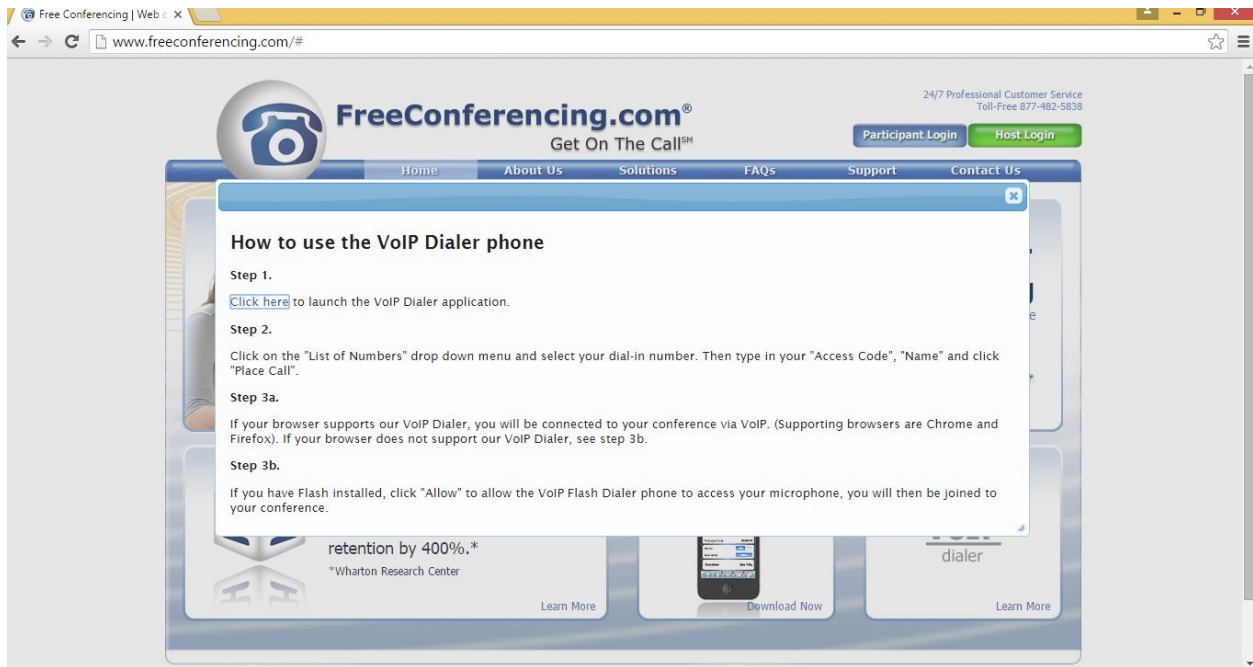

3. Click on the bottom right box titled "Call Using Our VoIP dialer":

4. Upon clicking on the VoIP dialer image above you will see this:

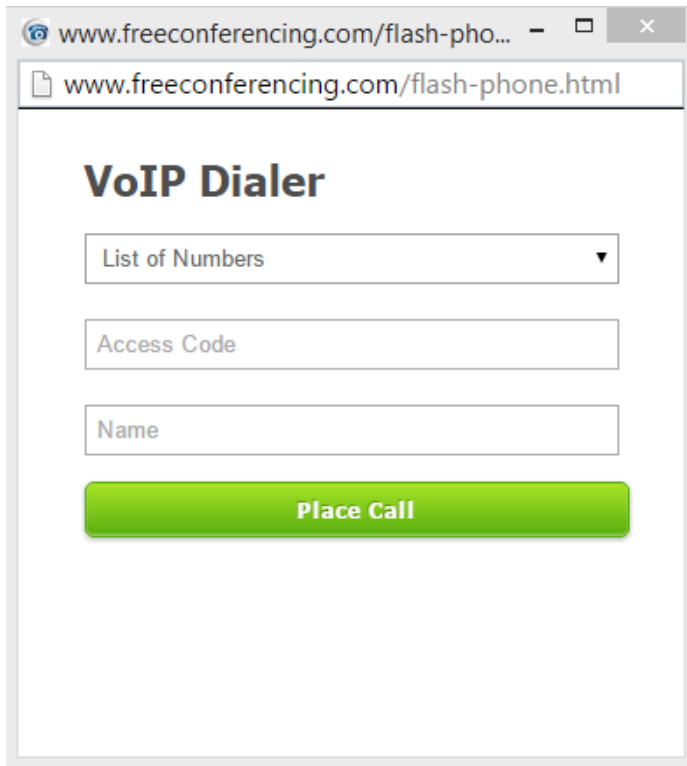

5. READ the instructions:

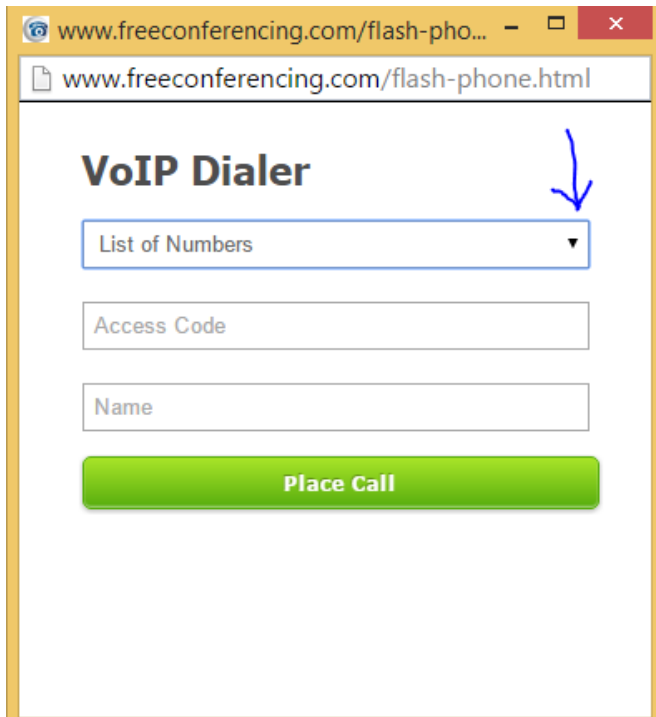

6. Click on the link in step 1 of the Instructions titled "Click here"

7. Once you click “[Click here](#)” in the instruction box this image will pop-up:

8. Find the Free Conferencing Phone Number that you are wanting to call in the “List of Numbers” by clicking on the down arrow. Once you have located the correct number, select it by clicking on the number:

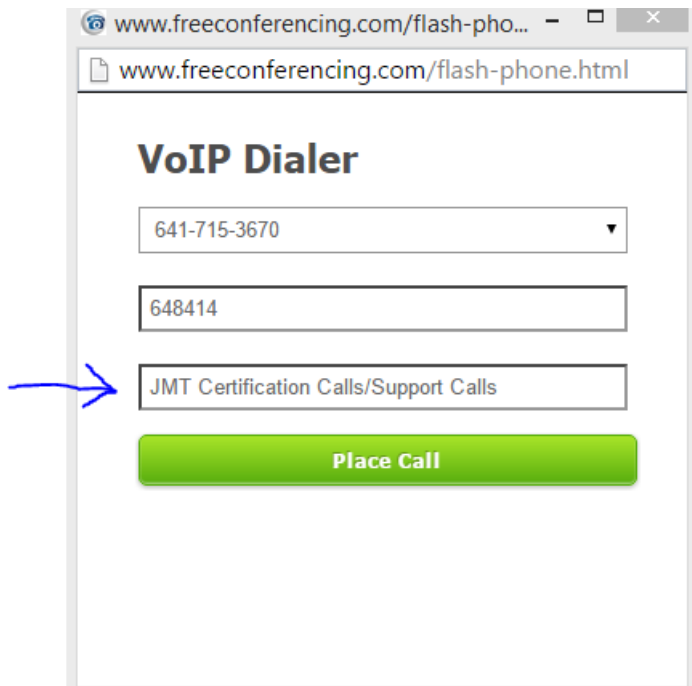

A screenshot of a web browser window showing the VoIP Dialer interface. The browser's address bar displays the URL `www.freeconferencing.com/flash-phone.html`. The page title is "VoIP Dialer". Below the title, there is a dropdown menu with the value "641-715-3670" selected. Below the dropdown are three text input fields: "Access Code", "Name", and "Place Call" (which is a green button). The "Place Call" button is highlighted in green.

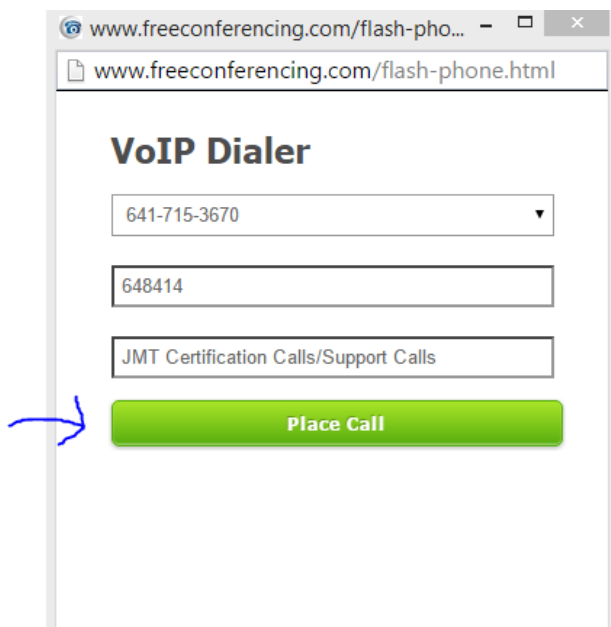

9. After selecting the phone number, type in the access code for that line:

A screenshot of the same VoIP Dialer interface. The dropdown menu still shows "641-715-3670". The "Access Code" field now contains the text "648414". A blue arrow points to the "Access Code" field. The "Name" field and the "Place Call" button remain empty and unchanged.

10. Next, create and type in a name for that number and passcode:

11. Be sure that your volume is turned up on your computer and click "Place Call"

12. You should then see this image and be connected to the call:
